

# Jordan – Prospective Dog Adopter

**Age:** 31

**Occupation:** Data Analyst

**Activities:** Hiking, Park Walking, Camping

**Scenario:** Jordan is homebound due to COVID-19 and is using his phone to search for a furry friend that he can hang out with during the pandemic. Jordan grew up with a dog and looks forward to bringing the dog on future outdoor adventures. Jordan hopes to find a dog that has background information, cost transparency, and a quick adoption process.
